Angel of Hope Children's Memorial Park
Making a Memory for Our Children

Order a beautiful Angel Memorial – a remembrance for your child.
This beautiful memorial tile will last a life time – custom engraved in memory of your child.

The Angel of Hope Children's Memorial Park located on the South Shore of Silver Lake in Virginia, will be part of a national and international network of memorial parks that provide a place of comfort and hope to parents and family members who grieve the loss of a child, regardless of age or reason. The initial memorial statue and subsequent memorial parks were inspired by the book "The Christmas Box" by the author Richard Paul Evans.

To honor our children's memories, memorial tiles will be placed on the memorial wall. The wall extends behind the Angel statue. The statue and surrounding area is intended to be a place of peace for all bereaved parents, grandparents, relatives and friends.
